

## SEA-DOO

Follow all instructional and safety materials. BRP recommends a minimum operator age of 16 years old. Always observe applicable laws and regulations. Respect the rights of shoreline residents, and keep a safe distance from other recreationists. Always wear appropriate protective clothing, including a Coast Guard-approved PFD that is suitable for PWC use.

Not all riding conditions are appropriate for inexperienced or beginner riders. Always ride safely and responsibly. Remember that riding and alcohol/drugs don't mix.

WEAR PROTECTIVE CLOTHING. Severe internal injuries can occur if water is forced into body cavities as a result of falling into the water or being near the jet thrust nozzle. Normal swimwear does not adequately protect against forceful water entry into lower body opening(s) of males or females. All riders must wear a wet suit bottom or clothing that provides equivalent protection (see Operator's Guide). Footwear, gloves and goggles / glasses are recommended. WEAR A PERSONAL FLOTATION DEVICE (PFD). All riders must wear a Coast Guard approved PFD that is suitable for personal watercraft (PWC) use.
